# Fikzioa edo etorkizuna?

## Gaur egun IA nire guztiz fikzioa dugu

Ezinezkoa da bere jaiotza ikustaraztea

Oraingoz eta hemendik hurrengo 5-10 urtetara SIRI, Alexa edo Google Assistant euskaratzea besterik ezin dugu espero

Zergaitik?

## Nola egin IA nire gure artean izateko?

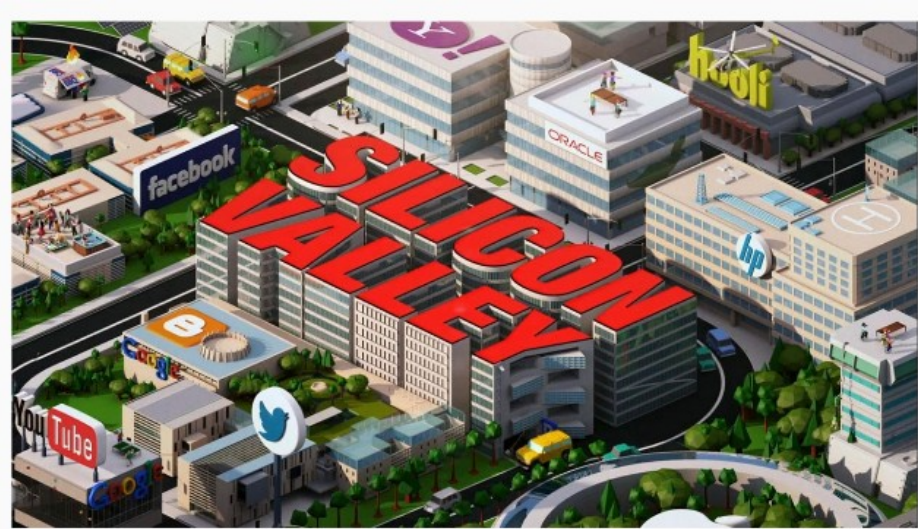

# 1. Teknologia eta burujabetza

<https://gsuite.google.com/industries/government/>

The screenshot shows the top portion of the G Suite website for government industries. At the top left is the 'G Suite by Google Cloud' logo. To the right are two blue buttons: 'CONTACT US' and 'GET STARTED'. Below the logo is a navigation menu with 'Features', 'Solutions', 'Pricing', 'Security', and 'Resources', each with a dropdown arrow. On the far right of the navigation are 'Support' and 'Sign in'. The main content area features a large image of a smiling man in a dark suit and light green tie, standing in front of a city street with a white truck. Overlaid on the image is the text 'G Suite for government' and 'Solutions to advance to modern government enterprise.' Below the image, centered, is the text 'Smart, secure, and proven infrastructure for more efficient government enterprises.'

# 1. Teknologia eta burujabetza

Teknologia digitala gure gizartearen oinarrizko azpiegitura da  
Geroz eta gehiago teknologi-erraldoien esku dago  
Buru-jabetza galtzen ari gara eta erakunde publikoen etorkizuna  
ere kolokan dago  
Badago egoera hau konpontzerik?

The screenshot shows the Decidim.org website homepage. At the top left is the Decidim logo. The navigation menu includes links for Demo, Community, Social Contract, Features, Blog, Code, and Documentation. The main heading reads "Free Open-Source **participatory democracy** for cities and organizations". Below this is a descriptive paragraph: "Decidim is more than a digital platform: it's a common's free and open project and infrastructure involving code, documentation, design, training courses, a legal framework, collaborative interfaces, user and facilitation communities, and a common vision." Two buttons are present: "ONLINE DEMO" (red) and "CODE ON GITHUB" (grey). A video player is embedded, showing a large group of people in a meeting. The video title is "Decidim la Barcelona que volem" and it has a red play button. Below the video is a red button labeled "PARTICIPA". The video player interface also shows "Decidim Barcelona" in the top left, "Català" in the top right, and navigation links "Inici", "Processos", and "Més informació".

# github.com/decidim

The screenshot shows the GitHub repository page for 'decidim'. At the top, there's a navigation bar with 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. The repository name 'Decidim' is prominently displayed with its logo, a description: 'Decidim is a digital infrastructure for participatory democracy led by the Barcelona City Council with contributors and collaborators all around the world', and the website 'https://decidim.org'. Below this, there are statistics for 'Repositories 35', 'People 49', 'Teams 16', 'Projects 8', and 'Settings'. The 'Pinned repositories' section features two boxes: 'decidim' (The participatory democracy framework. A generator and multiple gems made with Ruby on Rails. 265 stars, 95 forks) and 'docs-features' (Decidim features and future roadmap documentation (English, Spanish & Catalan). 2 stars, 2 forks). A search bar 'Find a repository...' is present with filters for 'Type: All' and 'Language: All', and a 'New' button. The main repository card for 'decidim' includes a description, a line graph, tags like 'government', 'community', 'engine', 'democracy', 'open-data', and metadata: 'Ruby', '265 stars', '95 forks', 'AGPL-3.0 license', '1 issue needs help', and 'Updated 9 hours ago'. On the right, 'Top languages' are listed: Ruby, HTML, Shell, JavaScript, and CSS. 'Most used topics' include 'decidim' and 'decidim-docs'.
